**Re: International Union of Public Employees, D.C. Office of Unified Communications,  
and National Association of Government Employees**  
PERB Case No: 12-RC-02

Dear Representatives:

It has been brought to our attention that the certification for the above captioned case included a duplicate certification number. To repair this discrepancy, a corrected certification has been issued which only changes the certification number from 153 to 165. The corrected certification does not change the representation of the bargaining unit.

If you have any questions, please do not hesitate to contact this office.

Sincerely,

Clarene Phyllis Martin  
Executive Director

Notice: This decision may be formally revised before it is published in the District of Columbia Register.
