DECISION AND ORDER

On July 23, 1987, the American Federation of Government Employees (AFGE) filed a Recognition Petition with the District of Columbia Public Employee Relations Board (Board) seeking the exclusive right to represent employees of the following proposed unit:

All employees of the D.C. Department of Corrections excluding managerial employees, confidential employees, supervisors, temporary employees or any employees engaged in personnel work other than in a purely clerical capacity, institution residents (inmates), and employees engaged in administering the provisions of Title XVII of the Comprehensive Merit Personnel Act of 1978.

The Petition was properly accompanied by a showing of interest meeting the requirements of Section 101.2 of the Interim Rules of the Board.

Opinion No. 169

Notices concerning the Petition were posted on August 3, 1987. In response to the Petition, the Teamsters timely filed a request to intervene in this proceeding on the basis of its status as the incumbent certified representative for this identical unit of employees (PERB Case No. 84-R-09, Certification No. 33 as amended April 15, 1987). Pursuant to Board Rule 101.7 the request for intervention was granted. There were no other requests to intervene or objections filed in response to the Petition.

After concluding its investigation and reviewing the entire record in this matter, the Board concludes that an election is authorized to determine the will of the eligible employees in the unit described herein above.

O R D E R

IT IS ORDERED THAT:

An election is authorized pursuant to Section 102 of the Interim Rules of the Board to determine whether these employees wish to be represented by AFGE, the Teamsters or not represented for purposes of collective bargaining.
