DECISION AND ORDER

On May 7, 1984, the American Federation of State, County and Municipal Employees, District Council 20 (AFSCME) filed a "Recognition Petition" with the District of Columbia Public Employee Relations Board (Board) seeking determination of and the exclusive right to represent employees of the following proposed unit:

"All non-supervisory maintenance workers, maintenance mechanics, air-conditioning equipment mechanics, air-conditioning operators, and boiler firemen in the Bureau of Building Operations of the District of Columbia Department of Public Works excluding management officials, supervisors, confidential employees, any employees engaged in personnel work in other than purely clerical capacities and employees engaged in administering the provisions of Title XVII of the District of Columbia Comprehensive Merit Personnel Act of 1978."

The Petition was properly accompanied by a showing of interest meeting the requirements of Section 101.7 of the Interim Rules of the Board. There were no intervenors or objectors.

After concluding its investigation and reviewing the entire record, the Board determines the unit described above to be an appropriate unit for collective bargaining concerning these employees' terms and conditions of employment.
