In the Matter of:

AMERICAN FEDERATION OF GOVERNMENT EMPLOYEES, LOCAL 3721, Complainant,

v.

DISTRICT OF COLUMBIA DEPARTMENT OF FIRE AND EMERGENCY MEDICAL SERVICES, and OFFICE OF LABOR RELATIONS AND COLLECTIVE BARGAINING, Respondents.

PERB Case No. 02-U-22 Opinion No. 760

Withdrawal Request

DECISION AND ORDER

This matter involves an unfair labor practice complaint filed by the American Federation of Government Employees, Local 3721 ("Complainant", "AFGE", or "Union"), alleging that the District of Columbia Department of Fire and Emergency Medical Services ("Respondent", "FEEMS" or "Agency") and the D.C. Office of Labor Relations ("OLRCB" and

1 Specifically, AFGE alleged that the Respondents committed an unfair labor practice (ULP) by: (1) failing to inform AFGE that the Financial Responsibility and Management Assistance Authority ("FRMAA" or "Control Board") disapproved the parties' 1995 negotiated agreement; (2) denying AFGE the right to have the 1995 negotiated agreement approved in accordance with D.C. Code §1-617.15; and (3) preventing AFGE from representing its members under the provisions negotiated in the 1995 negotiated agreement.

2 The American Federation of Government Employees, Local 3721 represents paramedics at the District of Columbia Department of Fire and Emergency Medical Services.

The Respondents denied the allegations. Furthermore, FEMS, through its representative, OLRCB, filed a Motion to Dismiss and asserted, inter alia, that AFGE’s complaint should be dismissed because it was not timely filed.

A hearing was held and the Hearing Examiner issued a Report and Recommendation (R &R). AFGE filed Exceptions to the Hearing Examiner’s R&R and the Respondents filed an Opposition. The Hearing Examiner’s R&R and the parties’ Exceptions and Opposition were before the Board for disposition at the May 2004 meeting. However, the Board tabled the matter and instructed the Board’s staff to research issues that would aid us in reaching a decision.

Subsequently, on June 18, 2004, the Respondents submitted to the Board a letter and Memorandum of Agreement (MOA) requesting that AFGE’s Unfair Labor Practice Complaint be withdrawn because the parties had reached an agreement concerning the matter. 4

The Board encourages settlements between parties. Furthermore, the Board has not issued a decision in this matter. Therefore, consistent with the parties’ MOA and Board Rule 520.5, this matter is withdrawn with prejudice. As a result, this case is closed and the Board will take no further action in this matter.

3Throughout this Opinion, all references to the D.C. Code refer to the 2001 edition.

4Paragraph 6 of the MOA indicated that either party could submit to the Board a request to withdraw the matter.
