CERTIFICATION OF REPRESENTATIVE

An election having been conducted in the above-referenced case by the Director of Personnel to determine whether the exclusive representative (Special Police Bargaining Organization) continues to represent a majority of the employees in the unit or whether another labor organization should be exclusively recognized or whether no representation was desired, it is indicated from the tabulation that another labor organization (National Union of Security Officers) has been selected by a majority of the valid votes cast. Furthermore, no objection was filed to the Tally of the Ballots, no objection was filed concerning the conduct of the election and no ballots were challenged.

Pursuant to the authority vested in the Board of Labor Relations by District of Columbia Personnel Manual Ch. 25A, ¶ 9.e.(3) and delegated to the Executive Director of the Board of Labor Relations, IT IS HEREBY CERTIFIED that the

National Union of Security Officers, Local 2 is the exclusive representative for a unit of:

All guards at the District of Columbia General Hospital excluding management executives, confidential employees, supervisors or any employee engaged in personnel work in other than a purely clerical capacity.
