DECISION AND ORDER

The Board's Decision and Order on the Petitioner's Arbitration Review Request, Opinion No. 519, was issued on June 10, 1997. On June 25, 1997, the Petitioner filed the instant "Motion for Reconsideration." The Respondent filed an Opposition to the Motion. The issues presented by this case are set forth in Opinion No. 519. In that Opinion we held that the asserted grounds for review of the Arbitration Award did not establish the required statutory basis for our review, i.e., that the Award was contrary to law and public policy, and denied the Request.

The Board, having considered the Motion and response thereto, finds that the Petitioner raises no grounds or supporting arguments that were not considered and rejected in our initial determination. Therefore, the Petitioner's Motion for Reconsideration of Opinion No. 519 is hereby denied.

ORDER

IT IS HEREBY ORDERED THAT:

The Respondent's Motion for Reconsideration is denied.
