Re: Case No. 8R013 (AFGE L/2725, 1649, 3524 & DHCD)

CLARIFICATION OF CERTIFICATIONS

Pursuant to the Summary Decision and Order of the Board of Labor Relations, dated August 24, 1979, a majority status determination has been made for the group of General Schedule employees in the property management function who were previously unrepresented. An election has been held to determine whether professional employees desire to be represented in the same unit as non-professional employees. It appears from the results of the majority status determination and the election that there is an exclusive representative for all employees in the clarified bargaining unit.

The certifications of exclusive recognition previously granted to Locals 2725, 1649 and 3524, American Federation of Government Employees, AFL-CIO are hereby clarified so the exclusive representative is Local 2725 for a unit of

All employees of the Department of Housing and Community Development, excluding the security force, management executives, confidential employees, supervisors or any employee engaged in personnel work in other than a purely clerical capacity.

Clarification of Certification does $\underline{\text{not}}$ amount to a new certification, recertification or extension of the old certifications.
